

How to Conduct a Successful PuttLE® Tournament In Four Easy Steps.

1. **Purchase one PuttLE® Kit.** Now you will have everything you need to play PuttLE®. It is recommended to have a few adult putters on hand as well.

2. **Find a location where you and your friends can play.** Grand Central Station in NYC is a suitable location for any time of year. Lots of wide open floor space.

3. **Invite everybody, because everyone will have fun.** Guaranteed. Pictured is the North Korean PuttLE® Championships held each Spring in Pyongyang. They go all out, as you can see..

4. **Low score is the Best Score!** A little bit of math is required to add up the nine or eighteen putts, but once they're all tabulated, you've got yourself a winner. Pictured below are competitors from the 2009 PuttLE Pro-Am held in Bethlehem PA. First pumps always indicate a one.
